

#MISSIONSECRETSANTA - DOL – VOLUNTEERS GUIDELINES

Thank you for volunteering to be our Drop off Location – Contact person. As we are very much reliable on you, kindly read and follow the below instructions to make this mission a successful one.

- You will be called as DOL – Volunteers
- You will be the Drop off Location Point for your Circle
- Keep forwarding and sharing all promotions of MCS through any social networks, messaging platforms or through any other channel
- Motivate your friends and neighbours to contribute and Pack a gift Box.
- It is required for you to know about the A4J organisation and its mission. This will help you to explain better while you canvas for the shoe-box. Refer www.a4jgroups.com.
- Read the FAQ shared which will help you to respond to people's questions if any.
- Collecting a minimum of 10 shoe boxes from your contacts is much appreciated.

- Do not force anyone to contribute or behave harsh to those who reject your proposal or speak ill about the mission. Stay calm as we know that we are doing it loyally.
- Do not forget to collect the contact details of the contributors as we will have to send a note of appreciation and share the photographs of distributing the box.
- It is good to know other Drop-Off locations so that you may direct others if they are near to any of the mentioned locations.
- Last date to collect the gift box is 10th Dec. If you have collected more than 5 to 10 gift boxes, we will make arrangements to come and collect it from you. For anything less than 5, kindly courier them through Indian postal service and we will reimburse the amount.

PROJECT SHOE BOX

an initiative by a4j groups
